PHOTOGRAPH PUBLICATION CONSENT

Throughout the year, there are many occasions where we take photographs, videos or publish writing of the children to acknowledge and celebrate the success of scholars, staff, Educational Programs or our continually advancing School to the wider community.

On occasions these photos may be used in newspapers, or television crews may visit the school and take footage to be used on TV, or uploaded to our school website, Facebook page & Skoolbag app. To be able to use your child in any photos, video footage, or other work we need to have your permission.

If your child's note is **NOT RETURNED**, we will not be able to use their photo in any of these publications.

Please tick the appropriate box.
